We would like to welcome you to our 2019 On-Property sale.

Sale Rams tested May 2019

Rams June 2018 drop  
Shorn on April 29th 2019

*“In 1937 James Herring purchased a handful of East Bungaree rams at the Royal Adelaide Show. Eighty-two years and four generations later, my family are still purchasing East Bungaree blood. Their ability to adapt to their surroundings, coupled with great mothering instincts and to grow wool, are second to none. I applaud the East Bungaree team for their constant drive to improve the merino and to be able to breed a sheep for all areas.”*

**– Wes & Kate Herring  
Gum Park Station, Broken Hill**

#### **Disclaimer**

The vendors warrant that the information in this brochure with respect to age and the hearing times are correct.

Whilst all care has been taken with other information contained in this brochure and with respect to the information provided and representations made, the vendors accept no responsibility whatsoever with respect to such information and representations (including, but without being limited to, information and representations concerning the expected wool microns, wool weights, wool yields and repeatability of tests) and the purchaser shall have no course of action against the vendors with respect to such information or representations should such information or representations prove to be incorrect or misleading.

Every care has been taking in compiling this catalogue to ensure accuracy, but no responsibility is accepted for any errors or mis-descriptions which may have occurred.

# NOTES

## **Offering a strong commitment to client services with the provision of:**

- Free sheep classing
- Dehorning of sires
- Assistance in ram selection decisions
- Flock management advisory program

## **& consistency you can count on!**

Our sheep are renowned for their ability to thrive in a wide range of conditions. This toughness, combined with our progressive breeding strategies, is now showing outstanding results.

## **Whatever the season, we stand by our one abiding commitment:**

To maximise the return of all our commercial wool-growing clients.
