**Wes and Kate Herring, Gum Park Station, Broken Hill:**  
*"In 1937 James Herring purchased a handful of East Bungaree rams at the Royal Adelaide Show. Eighty-two years and four generations later, my family are still purchasing East Bungaree blood. Their ability to adapt to their surroundings, coupled with great mothering instincts and to grow wool, are second to none. I applaud the East Bungaree team for their constant drive to improve the merino and to be able to breed a sheep for all areas."*
